An image processing fee (25 cents per trip on EastLink) is charged in addition to the toll for each trip made on EastLink by a vehicle linked to a tolling account, but travelling without a tag. The image processing fee is waived for motorcycles.

GST is applied to a complete trip, not to each toll zone. Minor differences may occur due to rounding for trips involving more than one toll zone.

* Applies when you buy one or more trip passes in a single transaction at an over-the-counter location.

You can avoid this fee by buying your trip passes by phone on 13 LINK (13 54 65) or online at Breeze.com.au.

[^] The taxi toll should be added to the taxi fare and the customer must pay the total to the taxi driver.
